Available Time: <3 Minutes

What went well?	
What could have gone better? Recommendations?	

Available Time: 3-5 Minutes

Additional questions	Y/N	Comments
• Was Documentation Reviewed? (i.e. flow-sheets, code narrator, etc.)?		
• Any safety issues?		

Special Considerations	Y/N	Comments
• Were there any barriers/challenges to completing the Golden Hour?		
• Was a critical airway needed?		
• Was code ballet used? How did it go?
