

# ASAM Treatment of OUD for Pregnant Patients Training

FREE! Qualifies for CME & meets DEA 8hr training requirement on management of substance use disorders

## Oregon Perinatal SUD Training Opportunity

- Learn to identify, assess, diagnose, and manage pregnant and postpartum patients with opioid use disorder (OUD). This 8-hour, online course from the American Society of Addiction Medicine (ASAM) covers medications for OUD and education needed to prescribe or dispense.
- Complete this training **now** to improve your team's readiness for The Oregon Perinatal Collaborative's (OPC) 18-month Perinatal SUD initiative, beginning Fall 2026.

## How to Access

- OPC & Comagine Health are sponsoring clinicians to obtain free access to this training!**
  - Interested in completing this online 8-hour course?
